***Friendship Village Sunset Hills***  
**Cohabitation Policy**

It is the policy of Friendship Village Sunset Hills, consistent with its long-standing practice of operating its facilities in accordance with biblical principles and sincerely-held religious standards, that it will permit the cohabitation of residents within a single unit only if those residents, while residing in said unit, are related as spouses by marriage, as parent and child or as siblings. The term "marriage" as used in this policy means the union of one man and one woman, as marriage is understood in the Bible.

If applicants for residency do not satisfy the requirements set forth above, they may apply to the Board of Directors for an exemption on grounds of extenuating circumstances. If the Board considers the extenuating circumstances to be sufficient, and if the Board believes the resulting cohabitation would be consistent with biblical principles and high moral and religious standards, such application may be approved by the Board until further action of the Board.

This policy, which has applied to all new residents for many years, will continue to apply to all new residents.
